

# Barcelona™ Lighted Mirror

Product Specifications: Residential

# ELECTRIC MIRROR®

## PRODUCT DESCRIPTION

This stunning lighted mirror features a gorgeous mosaic border of Mother of Pearl, the iridescent lining of oyster and abalone shells. Each shell is harvested, cut, and polished by hand, as is the entire mosaic border, so no two mirrors are alike. Accented by a sleek, minimalist gunmetal gray metal frame that brings out the beauty of the shells, each hand-crafted mirror is a unique true work of art.

## SPECIFICATION STATEMENT

Solution shall consist of a lighted mirror with forward-facing task lighting, corrosion-resistant glass, and a Mother of Pearl border. Mirror shall have uniform light output in frosted areas, using dimmable, replaceable LEDs with greater than or equal to 90 CRI (color rendering index). Product will have a 7-year limited warranty.
